MENDOCINO LIGHTNING COMPLEX FIRES CONTINUE TO BURN

The Mendocino Lightning Complex has burned approximately 21,294 acres. There are currently 107 fires. Five percent have been contained, with multiple fires increasing in size. Resources continue to remain limited due to the fires throughout Northern California, with resources being assigned as they become available. Due to predicted weather conditions and anticipated fire behavior, significant increased threats are a possibility. Further areas may be identified for evacuation warnings.
